

**Join us on a trip to the Pittsburgh  
Benedum Center to see the musical  
Wicked!**

Wicked, the Broadway sensation, looks at what happened in the Land of Oz...but from a different angle.

Long before Dorothy arrives, there is another young woman, born with emerald-green skin - smart, fiery, misunderstood, and possessing an extraordinary talent. When she meets a bubbly blonde who is exceptionally popular, their initial rivalry turns into the unlikeliest of friendships...until the world decides to call one "good," and the other one "wicked."

From the first electrifying note to the final breathtaking moment, Wicked - the untold true story of the Witches of Oz transfixes audiences with its wildly inventive story that USA Today cheers is "a complete triumph! An original musical that will make you laugh, cry, and think." [from the Pittsburgh Cultural Trust website]

Based on the novel by Gregory Maguire, Wicked has music and lyrics by Stephen Schwartz, and a book by Winnie Holzman. [from [wickedthemusical.com](http://wickedthemusical.com)]
